Hello students. Today, we will talk about the best people in our lives. These are the people who are kind, generous and always ready to help others.

Firstly, our parents are the best people in our lives. They take care of us, provide us with love and support and teach us important things. From the moment we are born, they dedicate their time and energy for our health.

Secondly our teachers are also among the best people in our lives. They guide us, educate us and inspire us to become better people. They spend their time and energy to help us learn and grow.

Thirdly our friends play an important role in our lives. They are there for us during both good and bad times.

Lastly, let's not forget about the people who help us in our Society such as doctors, nurses, firefighters, and police officers. These people work hard to keep us safe and healthy.
